## 2001 HONda CBRF4I 600 - \$1800 (Sweetwater)

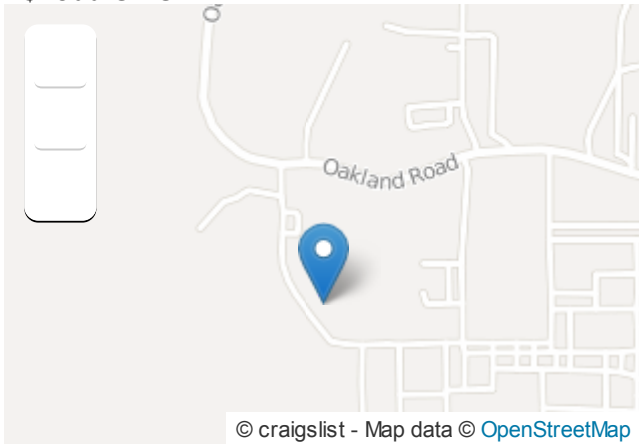

Honda Cbr f4i 600

Bunch of extra tires for the bike come with it. Does need transmission work but is rideable. Also comes with another computer to make it a 900+ instead of 600.

This is a unique one of a kind bike. Must see to appreciate.

\$1800 OBO
